RE: Junkyard License [PERMIT NUMBER]  
[ROUTE], [COUNTY] County

Dear [OWNER CONTACT]:

The Missouri Department of Transportation has the responsibility to administer Sections 226.650 to 226.720, RSMo governing junkyards located adjacent to and within 1000 feet of a controlled route, which includes the National Highway System and primary highway system. The route adjacent to your junkyard is a controlled route and subject to regulation under Sections 226.650 to 226.720, RSMo.

Upon recent inspection, it has been determined that your junkyard will be in compliance with Missouri statutes upon completion and submittal of the enclosed information sheet and \$10.00 fee. You have sixty (60) days from receipt of this letter to renew your junkyard license. If your junkyard license is not renewed within sixty (60) days, the matter will be forwarded to our legal division for further action.
